The Balvenie Whisky

“There is no such thing as a bad whisky. Some whiskies just happen to be better than others.”
William Faulkner

Handcrafted at
THE BALVENIE®
Distillery, Banffshire

Thanks to natural alchemy and centuries-old craftsmanship, The Balvenie is unique among single malts. Our whisky-making process is dedicated to maintaining the Five Rare Crafts and we are the only distillery in Scotland that still grows its own barley, uses traditional floor maltings and keeps both a coppersmith and a team of coopers on site. And of course, our Malt Master David C. Stewart MBE presides over the all-important maturation process.
Making The Balvenie the most hand-crafted of single malts.

The Balvenie Thirty, Aged 30 Years	1cl - 53	2cl - 101	4cl - 175

The Balvenie Thirty is a rare and especially fine single malt, for which David Stewart selects only exceptional casks that were laid down over thirty years ago. By marrying The Balvenie slowly aged in traditional oak whisky casks with that aged in European oak sherry casks, David creates a rich, mellow Scotch whisky with unusual depth and complexity.
